

***HAWKS ATHLETIC CLUB***  
***2019 - 2020***  
***PLAYER RECOGNITION AWARD***

***ISAAC LAFFERTY***

Athletic, Good Teammate, Coachable, Competitor, Hard Worker, Respectful. These are all words that describe ***Isaac Lafferty*** - Atom NW283's recipient of the 2019-2020 Player Recognition Award. Isaac played both basketball and hockey this fall/winter and although he would often have multiple events taking place on the same day he was committed to his hockey team.

Isaac brought a smile and a positive attitude to the rink each week. He was a teammate that others looked up to not because he was the most popular but because he was kind, friendly and made others feel good about themselves.

Isaac is a competitor and hates to lose. Whether we played dodge ball during our off ice sessions, 3 vs 3 in practice or during a game, Isaac had fire in his eyes and competed to the end. Isaac took pride in his play whether he was asked to play forward or defense and was one of the few players that challenged himself to play both positions. Isaac asked the good questions during practices and games and then implemented the feedback he received into his play.

Lastly, Isaac took the initiative to lend a helping hand in multiple situations throughout the season without the guidance of the coaching staff.

***Congratulations Isaac!***
