

HAWKS ATHLETIC CLUB
2019 - 2020
PLAYER RECOGNITION AWARD

ABIGAIL DAY

The coaches of Hawks Pee wee NW287 are proud to have selected **Abigail Day** as our recipient of the 2019/20 Player Recognition Award.

Abby showcased her leadership throughout the year and was a strong example for the rest of the team. She was often first dressed and first on the ice for practices. She showed us her exceptional listening skills throughout the year as she took instruction and immediately put it into practice. Almost every game and practice we would point out to other kids on the team the actions and decisions made by Abby as a strong example we wanted others to follow. No matter what the situation, good or bad game, she always had a smile on her face. That smile was infectious to everyone else around her.

Ultimately we are super proud that Abby acted all year like a leader in our dressing room and on the ice. It was a pleasure to have her on our team.

Congratulations Abby!
