

HAWKS ATHLETIC CLUB
2019 - 2020
PLAYER RECOGNITION AWARD

LOWELL ALLEN

Lowell was always on the ice with his little grin. He didn't put up the most points but we could always count on his play to be consistent and solid. He had a very positive attitude on the ice and in the dressing room.

He was a really easy player to coach as you could talk to him on the bench and see him work on whatever it was the next shift.

Lowell was always respectful to his coaches and all of his teammates. He showed commitment to his team by attending all team practices and games.

Lowell lead by example, always trying his best. He worked hard in practice and competed harder in games. As a result Lowell was one of the most improved players on the team. A future captain and a coaches dream.

Congratulations Lowell!
