

HAWKS ATHLETIC CLUB
2019 - 2020
PLAYER RECOGNITION AWARD

BLAKE BOYER

For the 2019-20 season ***Blake Boyer*** exhibited the characteristics that earned him the NW276 Novice Player Recognition Award. Blake always gave 100% both in practice and games; his determination to outwork players in games was unmatched. He showed respect on a consistent basis with both coaches and teammates, always listening and applied what was asked of him in practice to the drills. Blake showed his determination in games by working as hard as he could from the time his shift would start until the time it ended; there was no stopping him unless it was the buzzer. His will and determination to either get the puck from someone or put his body on the line to stop it from going in the net was unequaled.

Both in the dressing room and on the bench Blake was always an intent listener and always had a good rapport with his teammates. He was both a vocal and a silent leader. On the ice, Blake was a mix of a great two way player and an offensive defenceman. Blake understands the game and the concept of what a team needs to do to succeed.

Blake was a pleasure to coach this year; both the coaches and his teammates enjoyed working with him. I encourage Blake to keep up the hard work throughout his playing career.

Congratulations Blake!
